For hard surface applications, we recommend:

Tile Spinner - Hard Surface Tool
Designed for cleaning ceramic tile and grout with your truckmount or high pressure portable. Cleans up to 1000 sq. ft. per hour with operating pressure from 650 to 2500 PSI. Water temperature up to 230 degrees —water usage 3 gpm. High impact jets for the deepest clean possible!

MasterForce - Power to Go
1,200 PSI with one 2-stage and one 3-stage vacuums and auto pump-out and automatic water fill and chemical feed system standard. Does everything from upholstery to carpet to stone, tile and grout.

TruckForce - The portable that acts like a truck mount.
Dual 2-stage vac motors on the 1,200 PSI model with 10" + of mercury (150" of water lift). 20 gallons per minute pump out; 22-gallon solution and 15-gallon waste tank standard.

El Diablo- Big, Bold and Beautiful.
The most powerful truck mount in its weight class. By the numbers: 670 cc Honda engine, 2,000 psi cleaning pressure, a scorching 195,000 BTU kerosene/diesel heater, 14" of mercury (lift), and a 75-gallon waste tank.
